

Climate Guard

GUARD YOUR K-9 PARTNER FROM THE HEAT

WHAT DOES CLIMATE GUARD DO?

1 Climate Guard monitors the temperature of your vehicle...

2 ...if it gets too **HOT** in the vehicle...

3 ...CLIMATE GUARD notifies you using a **BEEPER** and your vehicle's **HORN** and **EMERGENCY LIGHTS**...

4 ...while **simultaneously** rolling down the windows and activating **POWERFUL FANS** to cool your partner!
